

DATA PROTECTION

Rapid Solutions Automation take the **protection of your personal data** very seriously and strictly adhere to the rules of data protection laws.

Personal data is only collected on this website to the extent that is technically necessary. In no case will the collected data be sold or passed on to third parties for other reasons. The following statement gives you an overview of how we guarantee this protection and what type of data is collected for what purpose.

Data processing on this website

Rapid Solutions Automation automatically collects and stores information in its server log files that your browser transmits to us.

These are:

- Browser type/version
- Operating system used
- Referrer URL (the previously visited page)
- Host name of the accessing computer (IP address)
- Time of server request.

Rapid Solutions Automation cannot assign this data to specific persons. A combination of this data with other data sources is not carried out, the data is also deleted after a statistical evaluation.

Cookies

The Internet pages use so-called cookies in several places.

They serve to make our offer more user-friendly, effective and secure. Cookies are small text files that are stored on your computer and saved by your browser. Most of the cookies we use are so-called "session cookies". They are automatically deleted after your visit. Cookies do not damage your computer and do not contain viruses.

Newsletter

If you would like to receive the newsletter offered on the website, we need a valid email address from you as well as information that allows us to verify that you are the owner of the email address provided or that the owner agrees to receive the newsletter. Further data is not collected. You can revoke your consent to the storage of the data, the e-mail address and their use for sending the newsletter at any time.

Right of providing information

You have the right to information about the data stored about you, its origin and recipient, and the purpose of the data processing at any time. The data protection officer at Rapid Solutions Automation provides information about the stored data: info@rapid-solutions-automation.com

Further information

Your trust is important to us. Therefore, we would like to answer your questions at any time regarding the processing of your personal data. If you have any questions that this data protection declaration could not answer or if you would like more detailed information on a point, please contact the data protection officer at Rapid Solutions Automation at any time: info@rapid-solutions-automation.com

expanding automation possibility
